Monthly Dinner Meeting

August 3, 2017

Dinner Meeting Topic: "Challenges Managing Pond pH – Ironhouse Sanitary District's Experience"

Through this presentation, the Ironhouse Sanitary District will share their challenges meeting the pH limits within their effluent storage pond. The District has taken several steps to address the stored water pH issues through operational modifications and vegetation management. The District will also discuss their experience working with the RWQCB staff to potentially modify the pH limits within their waste discharge permit.
