

CWEA, San Francisco Bay Section and Santa Clara Valley Section

Joint Monthly Dinner Meeting March 8, 2018

Dinner Meeting Topic:

Wet Weather Operations Planning and Single Point Failure Analysis

EBMUD’s wastewater collection system and wet weather facilities were put to the test following the record winter in 2016/2017. This presentation will review EBMUD’s wastewater facilities and provide insight to their training program for operations staff. Single point of failure analyses were also performed on some of EBMUD’s key facilities. Steps for performing this type of analysis and a sample of the findings will be reviewed.

Dinner Meeting Speakers:

- **Jeff Cloherty** is a Wastewater Treatment Superintendent for the East Bay Municipal Utility District (EBMUD). He has 19 years of experience working in the water and wastewater fields, all for EBMUD. His certifications include Grade 5 wastewater and Grade 5 Drinking water.
- **Jennifer Ku, PE**, is an Associate Civil Engineer also from the EBMUD. She has been working for the District for 15 years, mostly in the Wastewater Planning section. She received a Bachelor’s degree in Civil and Environmental Engineering from UC Berkeley. She has also been very involved with CWEA’s Students and Young Professional Committee.
