

# Annual Evening With Industry & Career Fair

## Network With Professionals In The Wastewater Industry!

Learn about career opportunities in the water industry, Get to know local firms & agencies, Develop networking skills, & Stay for dinner to get one-on-one time with professionals. Over 60+ students expected from Northern California schools.

➔ **THURSDAY, FEBRUARY 21<sup>st</sup>, 2019** ➔

## New Round Table Format!

This year, instead of a panel of professionals sitting at the front of the room, we're trying out a new round table style format with 2/3 professionals at each table!

The idea is to facilitate more engaging conversations & give students a better opportunity to learn about specific aspects of the industry that interest them.

***If you are a professional interested in talking with students, please reach out to us!***
