Inkspot

July 2007

**GREETINGS FROM THE
PRESIDENT...**

July already! We're halfway into the year and it seems like it was just yesterday that the Bay Section Board of Directors (including me) were sworn in at the January Awards Banquet. Speaking of the Banquet, have you considered nominating someone, an agency, and/or a project or program for one of the 20 awards to be handed out next year? Kevin Calderwood is our Awards Chairman this year and he would love to have you contact him or any Board member if you have any questions or would like to make one or more achievement worthy nominations.

Thanks to the hard work of the O&M Exchange Committee, we will be having our first plant tour in quite awhile at the Livermore Water Reclamation Plant on July 11. For a bargain of \$10 (includes lunch), you get to check out this award winning 8.5 mgd plant, which includes secondary and tertiary treatment and a UV disinfection facility. Space is limited so call Mary Accornero at 925-960-8130 to reserve your spot.

As usual, there will not be a dinner meeting in July to make time for you to participate in the SFBS annual Golf Tournament on July 20th at Monarch Bay Golf Club in San Leandro. This summer event has been annually sponsored by the Collection System Committee and usually draws a "caddyshack" like type of crowd with lots of good humor and of course awesome door prizes. So please be sure to check this event out as the last day to register is July 10. Check out the flyer in this newsletter for more details.

Important Stuff:

July 11 O&M Committee Tour of Livermore WRD (see flyer)

July 11 O&M Committee TCP Exam Seminar(see flyer)

July 20 SFBS Golf Tourney, Monarch Bay in San Leandro (see flyer)

August 7 Abstracts for the 2008 CWEA Annual Conference are due

September 12-14 Northern Regional Training Conference, Redding, Ca.

Printing Courtesy of Black & Veatch

Ramblings from the Editor...

The Rodeo Sanitary District has a new problem. Thieves have discovered we have copper roofs on the District buildings. The biggest question is how do we secure the facility? The District looked at getting a guard dog. Sounds like a good idea at first. However, as soon as the dog takes a bite out of someone (aka a thief), they will sue the District for a bazillion dollars and, of course, win. We then thought about electrifying the fence. Hmm, again sounds good but...those pesky lawyers will find a way to sue the District and...win a settlement of two bazillion dollars. So what do we do? Hire a security guard? That solution is expensive, and we have a liability issue. Cameras? Well, put on a good hooded sweatshirt and baseball cap and the thief will likely remain anonymous.

My opinion is that the problem is the salvage yards and our law makers. A law should be passed making the salvage yard responsible for the monetary damages to repair the facility burglarized, if they accept stolen property. At least have a one month waiting period to deliver the salvage money so the thieves won't be so interested in salvaging our roofs, against our will.

We will likely beef up our fences (which they just cut holes in) and add cameras. Maybe it will deter the thieves some, only time will tell.

PS Our aluminum handrail is disappearing too.

Hope you all have a great day!!
Steve

2007 CWEA Golf Tournament

MONARCH BAY GOLF COURSE

13800 Neptune Drive, San Leandro
(510) 895-2162

GOLF DATE: July 20, 2007

**CWEA 80TH ANNUAL CONFERENCE – “STEPPING UP TO THE CHALLENGE”
APRIL 13-16, 2008 – SACRAMENTO CONVENTION CENTER**

PRESENTATION ABSTRACT SUBMITTAL FORM

DEADLINE FOR ABSTRACT SUBMISSION IS AUGUST 7, 2007.

(MS Word version of this form can be downloaded from http://www.cwea.org/et_attendees_conferences.shtml)

Primary Speaker Information (for coordination purposes, list only one person as primary speaker):

Primary Speaker's Name: _____
 CWEA Member ID _____
 (if applicable, not required):
 Company/Agency: _____
 Department/ Division: _____
 Full Mailing Address: _____
 Office Phone: _____
 Mobile or Home Phone: _____
 Fax: _____
 E-mail: _____
 Are you a student? Yes If yes: Graduate Senior Junior Sophomore Freshman
 Name of school: _____

Additional Speaker Information (if applicable, list additional speakers who will participate in the presentation)

2nd Speaker Name / Agency: _____
 3rd Speaker Name / Agency: _____
 4th Speaker Name / Agency: _____

Presentation Title & Topic (fill in the requested information and provide abstract on the following page)

Title of Presentation: _____

Is your presentation most related to? (check one)

- Operations Maintenance Engineering Design/Construction Engineering Research Other

Preliminary Session Topics (Please check the topic that most represents your presentation. Highlight sub-category, if applicable.)

Along with confirmation that your abstract has been accepted for the conference, you will be advised of the duration of your session. Presentation sessions will be either 25 minutes long or 50 minutes long, including Q/A. Although speakers will not have a choice of duration, for future planning efforts, we would like to know whether you would prefer a 25 minute session or a 50 minute session.

Which session length would you prefer? 25-minute session 50-minute session

Presentation Abstract

In the box, below, provide an abstract of your paper/presentation. Abstracts are to be a maximum length of 150 words. Abstracts of more than 150 words will not be accepted. Before submitting, please check your abstract's word count. To do this, highlight your abstract text, in the box below, and click "Word Count" from the Tools drop-down menu.

Speaker Biographies

In the boxes, below, provide brief biographies of each speaker(s). These will be used to introduce the speaker(s) before the presentation. Keep biographies simple. Includes bullets pertaining to education, experience, employer, position/role, specialty, etc.

Primary speaker name: _____ • • • • • •	2nd speaker name: _____ • • • • • •
3rd speaker name: _____ • • • • • •	4th speaker name: _____ • • • • • •

Abstract Submittal Instructions

Abstracts must be submitted by **Aug 7, 2007**. The primary speaker will be notified of acceptance or rejection by Oct 1, 2007.

If you are submitting more than one abstract, submit them separately. All abstracts must be prepared and received electronically, using this Abstract Submittal Form, which can be downloaded in MS Word format from http://www.cwea.org/et_attendees_conferences.shtml. Handwritten abstracts, those prepared without using this form, or those received by snail mail or fax will not be accepted.

Completed abstracts shall be submitted electronically, by e-mail, to Cassie Prudhel, Program Co-Chair, at cassie.prudhel@ssf.net
If you have a problem submitting your abstract, for information regarding the conference program, or for clarification of abstract submittal requirements, please contact:

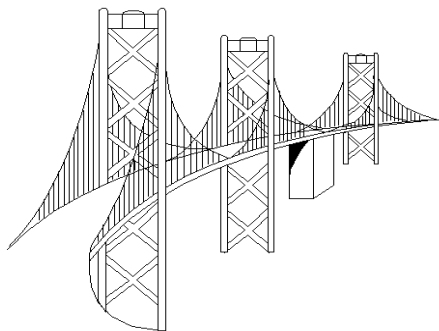

Cassie Prudhel
Conference Program Co-Chair
City of South San Francisco WQCP
Office: (650) 829-3840

STEPPING UP TO THE CHALLENGE

2008 CWEA ANNUAL CONFERENCE • SACRAMENTO, CALIFORNIA
CWEA AC08

Certification, Networking, training, fun!

SAN FRANCISCO BAY SECTION
California Water Environment Association

PLANT OPERATIONS & MAINTENANCE (O&M) COMMITTEE
Presents a Tour of the
City of Livermore
Water Resources Division (WRD)
Wednesday, July 11th, 2007 from 10:00 am to 12:00 pm

Tour is \$10.00.
Lunch will be provided.

Attendance is limited to 50 persons, so please reserve your spot soon!! Call Mary Accornero at (925)960-8130, or e-mail meaccornero@ci.livermore.ca.us Or (925)960-8135 (fax) by Friday, July 6th, 2007

Note: If you are unable to attend, please cancel by July 9th, or send a substitute. Failure to attend results in a financial burden which may necessitate increasing the cost of future tours.

Hard hats not required.

Highlights: 8.5 MGD facility, activated sludge with secondary and tertiary treatment. Odor Control facility, UV Disinfection facility and an Emergency Holding Basin Rehabilitation. Recent projects include Bar Screen, Ferric Chloride Feed Station, Rotamix Digester Mixing System, Filter Polymer Station and Mixer.

Driving directions: to City of Livermore WRD, 101W Jack London Blvd, Livermore. Ph:(925)960-8100.

1. 580 East to Airway Blvd exit
2. Go south on Airway to Kittyhawk Lane
3. Right on Kittyhawk, follow 1 mile
4. Right on Jack London Blvd
5. Right into Plant

Follow signs to visitor parking

TECHNICAL CERTIFICATION

Livermore, CA 94550
JULY 11, 2007

**“The Professionals in Collection
System Training”**

This session will be worth
5.5 C.E.U.'s

Materials to Bring

- Calculator
- CWEA Study Guide (Highly Recommended)
- Pencils & Highlighters
- Scratch Paper
- Collection System Technologist
Volumes I & II Workbooks
- If you are taking the III or IV exams consider bringing the Utility Management Workbook as well

Cost is
\$50.00
(Includes lunch)

Interactive classroom style instruction which will address questions similar to those found on the TCP exams

- *Math*
- *Safety*
- *Terminology*
- *Cut sheets*
- *Trench Safety*
- *Management Practices*
- *Confined space*
- *Pumps*

Registration and Continental Breakfast
Classroom Instruction
8:00 AM to 11:30 AM
Lunch
Classroom Instruction
12:30 AM to 2:00 PM

Our September offering will address the various elements of the GWDR/SSMP and how it applies to your organization. We will use some case studies to help you build your own SSMP
