

# PROFESSIONAL DEVELOPMENT COMMITTEE

*A collaboration of operators, maintenance staff, engineers, and others committed to enhancing the professional knowledge and status of its members.*

*As a member, you can enhance your job quality, develop a higher level of professionalism in the wastewater field, and help provide training opportunities for wastewater industry professionals in the San Francisco Bay Area.*

## SFBS PDC MEMBERS ARE EXPECTED TO:

- Attend monthly PDC meetings as often as possible. It is expected that active members shall participate in a minimum of 3 meetings per PDC year.
- Volunteer to help with committee assignments, including identifying training topics of interest.
- Promote and encourage attendance at PDC-sponsored training seminars.
- Establish and maintain industry contacts.
- Identify and recruit potential new members to the Professional Development Committee.
- Members are encouraged to actively participate in SF Bay Section monthly dinner meetings.

## PAST SEMINARS PDC HAS ORGANIZED:

- Asset Management
- Secondary Treatment
- Pumps and Valves
- Regulations 101
- Constituents of Emerging Concern
